## PROJECTS

**Portfolio - [Link](#)**  
(Front-End)

**Jul 2025 - Aug 2025**

My portfolio website showcases my skills and projects as a front-end developer. It includes sections on my education, skills, and personal information, along with links to my social media profiles. The design is clean and responsive, ensuring a good user experience on desktop and mobile devices.

**Planify - [Link](#)**  
(Front-End)

**Dec 2024 - Jan 2025**

Planify is an event booking platform that helps users find and book vendors like photographers, DJs, caterers, and more in one place. The focus was on designing a sleek, user-friendly UI that enhances the booking experience. With an intuitive layout and modern visuals, the interface ensures smooth navigation and easy access to vendor details.

**Crooks - [Link](#)**  
(Front-End using React js)

**Jan 2025 - Feb 2025**

Crooks is a product-based website where you can buy soft drinks, offering a smooth and engaging shopping experience. The front-end was developed using React, focusing on a modern, clean, and user-friendly interface. The design ensures easy navigation, fast performance, and seamless browsing, allowing users to explore products effortlessly.
